

# Certificate of Carbon Measurement

## Envirogen Group UK Ltd

has measured its carbon emissions via SafePlanet and is now SafePlanet approved.

SafePlanet carbon measurement methodology has been developed by PlanetMark and is fully aligned to the Greenhouse Gas Protocol. All data is reviewed internally against evidence submitted by Envirogen Group UK Ltd

Approval date:

27th May 2026

Reporting period:

1st April 2024 - 31st March 2025

**Organisational Boundary:** Operational control. Included sites:

Alfreton

**Operational Boundary:** The emissions measured for this reporting period represent a partial carbon footprint, as not all Scope 3 emission categories are included. This certificate should be read in conjunction with the SafePlanet carbon emissions report for full context and clarity
